

Oh Thou, Who givest sustenance to the universe,  
from Whom all things proceed, to Whom all things return.  
Unveil to me the face of the true spiritual Sun,  
hidden by a disc of golden light.  
That I may know the truth and do my whole duty  
as I journey to Thy sacred feet. **OM**

May the power of the One Life pour through the  
group of all true Servers.

May the love of the One Soul characterize the lives of  
all who seek to aid the Great One.

May I fulfill my part in the One Work through self-  
forgetfulness, harmlessness, and right speech.

A stylized human figure is centered in the image. The figure's head is a purple outline, the torso is a green outline, and the legs are a red outline. The figure is set against a bright blue background filled with numerous white and yellow stars of varying sizes. The figure's arms are not visible, and the legs are spread apart in a wide stance.

I am the Soul.  
And also love I am.  
Above all else I am  
both will and  
fixed design.

My will is now to lift the lower self  
into the light divine. This light I am

Therefore, I must  
descend to where  
the lower self  
awaits my coming.

That which desires  
to lift and that  
which cries aloud to  
be lifted are now at  
one. Such is my  
Will.
