

## **5 non-sacred planets:**

Mars, Earth, Pluto, Moon (veiling a hidden non-sacred planet), Sun (veiling a non-sacred planet).

## **7 sacred planets:**

Vulcan, Mercury, Venus, Jupiter, Saturn, Neptune, Uranus.

## **The 5 non-sacred planets rule the 4 lower bodies and the personality as a whole:**

Moon – Dense physical body

Earth – Etheric body

Mars – Astral body

Pluto – Lower Mental body

Sun – Personality as a whole.

**“You have, therefore, four non-sacred planets, controlling or ruling a fifth non-sacred planet – a correspondence to the four aspects of the lower man.” EA/507**

**“One of the interesting things to be noted (as one studies your ray tendencies) is that all your three bodies are on the line of 1-3-5-7, yet your personality ray is on the 6<sup>th</sup>, on the line of 2-4-6. Why is this? The reason is that the control of your soul is, in this incarnation, of sufficient power, to evoke**

**a reaction in *all* the three vehicles of the personality, and the sixth sub-ray of each of the governing rays of the three bodies is so active that it becomes a dominating factor. Hence you have a sixth ray personality.” DHB/II. VI. 1, 1, 7. DINA I/428**

**The 1<sup>st</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 8<sup>th</sup> houses are the houses of the personality and are ruled by the 4 non-sacred planets, not counting the Sun (EA/508 ):**

1<sup>st</sup> house...Mars

4<sup>th</sup> house...Moon

5<sup>th</sup> house...Earth

8<sup>th</sup> house...Pluto

**From still another angle, this time taking the signs ruling the four houses of the personality, DK is telling us that:**

Aries – ruled by Mars

Cancer - ruled by the Moon, veiling a sacred planet ( ED: Neptune )

Leo – ruled by the Sun, veiling a sacred planet ( ED: Uranus, Neptune or Vulcan )

Scorpio – ruled by Pluto

**The seven sacred planets ruling the remaining seven houses:**

Vulcan – 2<sup>nd</sup> house

Mercury – 3<sup>rd</sup> house or 6<sup>th</sup> house

Venus – 7<sup>th</sup> house

Jupiter – 9<sup>th</sup> house

Saturn – 10<sup>th</sup> house

Uranus – 11<sup>th</sup> house

Neptune – 12<sup>th</sup> house
