

Notes on garden

Each morning for five or ten minutes **work with the art of visualization** – a creative art. [4th ray/Venus/Ajna] **Visualize [Jupiter in Sagittarius in aspect to Neptune in Taurus] to yourself a garden [Taurus] in disorder [Neptune in Taurus] that you are restoring to order [7th ray through its transmission of Aries] and beauty. [Venus]** Rearrange that garden and fill it with flowers, [Venus] with the song [Venus/Neptune] of birds [soul] and with what you have visioned to yourself as the garden of your dreams.[Neptune in the 11th house of ideals and dreams] See two things happen: there must be **restoration { 7th ray/Aries }** of the garden and its **growth [Jupiter and 6th ray indicates the growth of the plants/flower towards light in the vegetable kingdom which 6th ray rules] in beauty.[Venus]** Let your imagination [Mercury/Neptune] guide [Chiron as the guide in relation to Sagittarius, the sign of vision] you day by day into **the steady work of restoration { Mars, ruler of Aries, in Taurus }** remembering **the goal [Sagittarius] of this exercise is to focus your attention in the region of the ajna centre, [6th ray/Neptune] of the pituitary body. There learn the power to organize. [7th ray]** When your problems descend upon you, when you are swept by an ancient habit [Moon in Scorpio] of thought [Saturn in Pisces – accumulated karma of past lives] that you know to be wrong but which has as yet a rhythmic power [7th ray; Uranus square Moon] over you, then retire [Pisces/12th house] into your garden and work there for a short while. In time, make your retreat [12th house is ruled by Taurus] into the secret [Scorpio/Mars] garden [**Mars in Taurus in the 12th house**] an instantaneous reaction [Aries/Mars] when distressed, and stay not there for a long time. It will aid you to break [Pluto, ruler of Scorpio/Pisces] the power of ancient thoughtforms.
