The 7 Ray
Energies & Influences,
Module 1 of 3

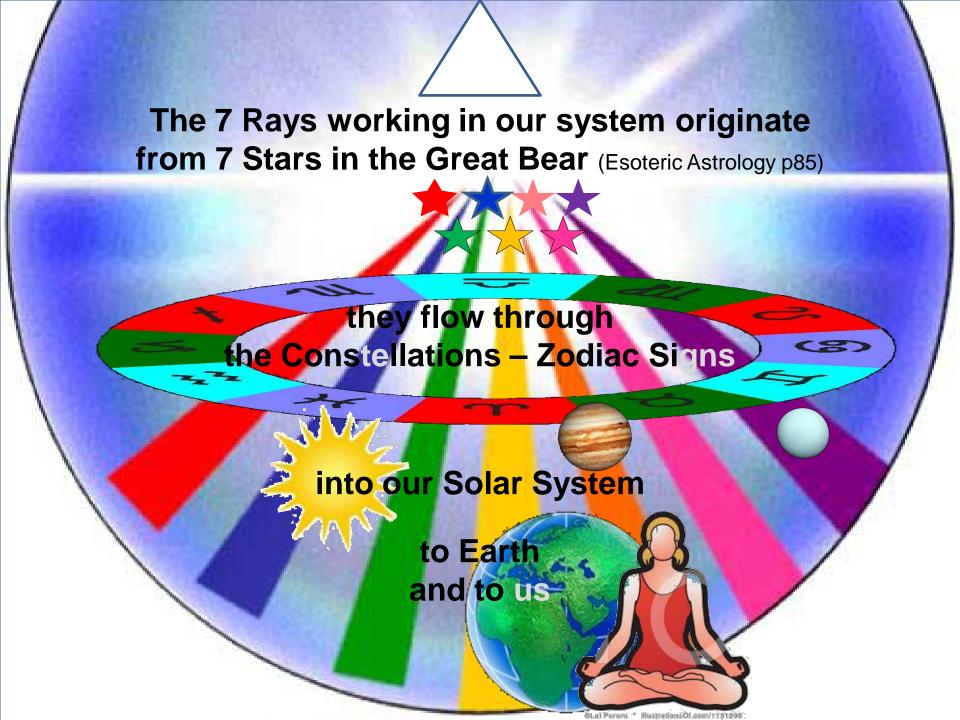

(This webinar will be available for viewing by all Morya Federation personnel and the public)

The birth of a new universe is managed by 3 Logoi ("Gods) representing the 3 divine aspects Spirit, Soul, Body.

Under these 3 work the Seven Ray Lords.

The universe "opens" when the 7 ray energies "burst" out. They build the forms that contain or house spirit, and give quality and colour to everything in the universe – on all levels.

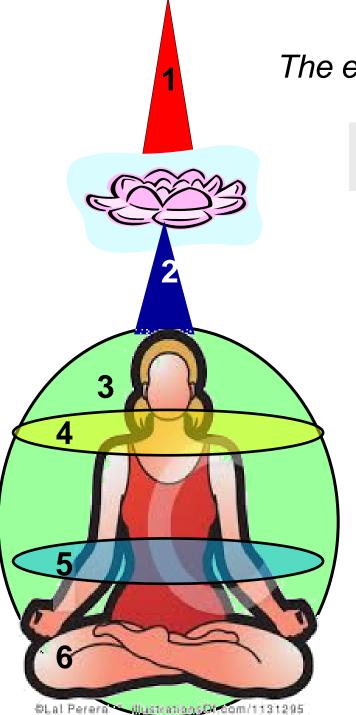

#### **RAY GROUPS** INTELLIGENCE SPIRIT SOUL Thinking rays **Power rays** Feeling-Emotional "Hard line" "Hard line" "Soft" Rays 1 Will-Power 2 Love-Wisdom 3 Intelligent-Activity 5 Concrete Ceremony, Mind/ Science Order, Magic 4 Harmony thru Conflict 6 Idealism-Devotion

#### **OUR RAYS**

The energy make-up of a person consists of:

- **1. Monadic Ray** but, beyond discovery until the 3<sup>rd</sup> Initiation has been taken.
- 2. Soul Ray source of Love and Wisdom
- **3. Personality Ray** appears late, when mind-emotions-physical integrate into a dominant, intelligent ,"personality".
- 4. Mind Ray- how we think.
- 5. Emotional Ray emotional expression.
- **6. Physical Ray** body type, daily habits and routines.

- 1. Observe the rays in nature, in the world, in others.
- 2. Identify your own rays, by observing how you express on each level. Start from the outside and work in.
  - a. Physical-etheric Ray: rays 3 or 7
  - b. Emotional Ray: rays, 2 or 6
  - c. Mind Ray: rays 1, 4 or 5
  - d. Personality Ray: can be any of the seven rays
  - e. SOUL RAY: can be any of the seven rays
    - (1) Disciples can have bodies on any ray
    - (2) The Soul Ray is different to the Personality Ray
- 3. The great benefit of analysing your personal rays: it trains the mind to detach from its automatic identification with your personality habits and expressions, and become an observer. The more you can do this, the more you identify with your spiritual nature.
