

Introduction to Esoteric Astrology 3

The Ancient Wisdom teaches that "space is an entity." It is with the life of this entity and with the forces and energies, the impulses and the rhythms, the cycles and the times and seasons that esoteric astrology deals.

Interpretation tips - 1

Work with the Moon, Sun and Rising or ASCENDANT signs

1. **MOON Sign:** represents the past, the “prison of the soul”
2. **SUN Sign:** represents the present personality goals
3. **ASCENDANT OR RISING Sign:**
 - a. Indicates the intended life or immediate soul purpose for this incarnation.
 - b. It holds the secret of the future and presents the force which, rightly used, will lead the man to success.
 - c. It represents the sattvic or harmony aspect of life and can produce right relationship between soul and personality in any one incarnation. It thus points the way to the recognition of the force of the soul. *Esoteric Astrology p18-19*

Interpretation tips - 2

For each of the Moon, Sun and Rising Signs

1. Use the **Hercules Labours** for each sign
2. Use the **Personality Words** for the Moon and Sun Signs
3. Use the **Soul Words** for the Sun and Ascendant Signs

These “Words” are the instructions given to us by our guiding Solar Angel as we re-enter incarnation in each of the signs. They set the trend of the personality life, and the heights to which the inner man, the soul, can aspire to.

“Words” are in Esoteric Astrology pages 653 and 654

	<i>Words - Personality, EA653</i>	<i>Words - Soul, EA 654</i>
Υ	Let form again be sought	I come forth and from the plane of mind - I rule
ϝ	Let struggle be undismayed	I see and when the eye is opened, all is light
Π	Let instability do its work	I see my other self, and in the waning of that self, I grow and glow
Ϟ	Let isolation be the rule and yet the crowd exists	I build a lighted house & therein dwell
δΩ	Let other forms exist, I rule	I am That, and That am I
ΠΥ	Let matter reign	I am the mother and the child, I God, I matter am
Ϡ	Let choice be made	I choose the way which lies between the two great lines of force
Π	Let maya flourish and let deception rule	Warrior I am, and from the battle I emerge triumphant
↗	Let food again be sought	I see the goal, I reach that goal, then I see another
Ϟ	Let ambition rule and let the door stand wide	Lost am I in light supernal, yet on that light I turn my back
≈	Let desire in form be ruler	Water of life am I, poured forth for thirsty men
Ϟ	Go forth into matter	I leave my Father's house, and turning back, I save
