the Christ*

Short visualisation

Let's link up as a group

- Raise your consciousness as high as you possibly can
- Endeavour then to hold steady, holding the mind unwaveringly "in the light,"
- Realise that, on D.K.'s side, he also stands steady, pouring out upon us his love and strength and endeavouring to lift us up into a higher state of consciousness
- Visualise ahead of us a disk or sphere of indigo blue, a deep electric blue.
- Imagine D.K. standing in the centre of that disk, waiting.
- See a band of golden light between us and the disk gradually shortening, thus bringing us closer together, slowly and steadily, until we enter into the heart of the blue disk.
- Sound a blue OM

Is the Christ coming?

Doctrine of the Coming One

Why is He coming?

What prompted his decision?

When was this decision made?

Did he make this decision alone?

When is He returning?

In what guise?

In which nation?

In which religion?

Where is He coming from?

Is He coming alone?

Is the Christ coming?

Whenever there is a withering of the law and an uprising of lawlessness on all sides, then I manifest Myself.

For the salvation of the righteous and the destruction of such as do evil, for the firm establishing of the Law, I come to birth age after age.

THE BHAGAVAD GITA

Book IV, Sutra 7, 8.

Yes He is !!

The call for preparation for the reappearance of the Christ has gone out; the call to world salvage has sounded forth,...

The Christ is sensed as on His way. The second coming is imminent ...

The fiat of the Lord has gone forth; Christ stands attentive to the demand of humanity.

That demand is rising and mounting every day and "in such an hour as you think not, He will come. "ROCp 186-189

Doctrine of Avatars or of the Coming One

*At every great human crisis,
always in the hours of necessity,
at the founding of a new race, or
in the awakening of a prepared humanity to a new and
wider vision, the Heart of God—impelled by the Law
of Compassion—sends forth a Teacher, a world
Saviour, an Illuminator, an Avatar, a transmitting
Intermediary, a Christ.ROCp9*

*Today will be no exception to this ancient rule or to this
universal law.*

Why doesn't the Logos come down himself instead of sending avatars?

The Planetary Logos of our earth scheme,took physical incarnation, and, under the form of Sanat Kumara, the Ancient of Days, and the Lord of the World, came down to this dense physical planet and has remained with us ever since.

Owing to the extreme purity of His nature, and the fact that He is (from the human standpoint) relatively sinless, and hence incapable of response to aught on the dense physical plane, He was unable to take a dense physical body such as ours, and has to function in His etheric body IHSp28

The central home of this Hierarchy is at Shamballa, a centre in the Gobi desert, called in the ancient books the "White Island." it exists in the matter of the second ether. IHS33

Meaning of the word 'Avatar'

Etymology of the Sanskrit word 'Avatar':

"coming down from far away"

The root 'AV'...denotes the idea of protection from above.

When used in context of the Gods, it means "Coming down with the approval of the higher source from which it came and with benefit to the place at which it arrives." ROC7

Why does an avatar come?

2 reasons:

- one, the inscrutable and unknown Cause prompts Him so to do, and*
- the demand or the invocation of humanity itself*
ROCp8

Avatar: A Divine messenger or intermediary

- ◆ *Avatars come in times of crisis;*
- ◆ *They frequently create crises in order to bring to an end the old and the undesirable and make way for new and more suitable forms for the evolving life of God Immanent in Nature.*
- ◆ *They come when evil is rampant*
- ◆ *An Avatar is a spiritual event coming*
 - ✧ *to bring about great changes or major restorations,*
 - ✧ *to inaugurate a new civilisation or to restore the "ancient landmarks" and*
 - ✧ *to lead man nearer to the divine. ROCp8*

In short:

to establish a nucleus of persistent energy, spiritually positive ROCp11

An Avatar : a planetary spiritual event

Nature of Avatars?

An Avatar is one Who has a peculiar capacity (besides a self-initiated task and a pre-ordained destiny) to transmit energy or divine power ROC6

Avatars are of all degrees and kinds and embody great truths.

Some are custodians of some divine principle or some divine quality so They can act as channels for its transmission from the centre of all spiritual Life

Such an one was the Christ ROC9

Christ the Avatar

He (Christ) also, in some mysterious and incomprehensible manner, embodied in Himself the divine Principle of Love
ROCp9

He (has) for the first time in planetary history....transmitted the divine energy of love directly to our planet and in a most definite sense to humanity.
ROCp6

Ray of an avatar:

An Avatar is at present usually a Representative of the second divine aspect, that of Love-Wisdom, the Love of God.

He will manifest as the Saviour, the Builder, the Preserver
ROCp11

When did he decide to come again?

The "point of decision," was reached during the period between the Full Moon of June, 1936, and the Full Moon of June, 1945.

The point of decision covered, therefore, nine years (a relatively brief time);

it resulted in the decision arrived at by the Christ to re-appear or return to visible Presence on Earth as soon as possible, and considerably earlier than had been planned.

ROCp69

Who backs the Christ in his momentous decision?

The Buddha

- *The Buddha Himself is standing behind the Christ in humble recognition of the divine task which He is on the verge of consummating, and because of the imminence of that spiritual accomplishment.*

Hierarchy

- *Not only are all those who are functioning consciously in the Kingdom of God aware of His Plans,*

Shamballa

- *but those great spiritual Beings Who live and dwell in the "Father's House," in the "centre where the will of God is known," are also mobilised and organised to assist His work. ROCp38*

The Father himself

A painting of a celestial being, likely a Hindu deity, seated on a throne. The figure is depicted with a human-like form, wearing a white dhoti and a white shawl. He is seated on a large, ornate, reddish-brown throne. He holds a reins in his hands, which are visible in the foreground. The background is a soft, hazy landscape with green hills and a blue sky. The overall style is classical, with a focus on the figure's form and the symbolic elements of the throne and reins.

The Lord of the World, the One Initiator, .. "The Ancient of Days," ...the First Kumara, He, Sanat Kumara it is, Who from His throne at Shamballa in the Gobi desert, presides over the Lodge of Masters, and holds in His hands the reins of government in all the three departments.

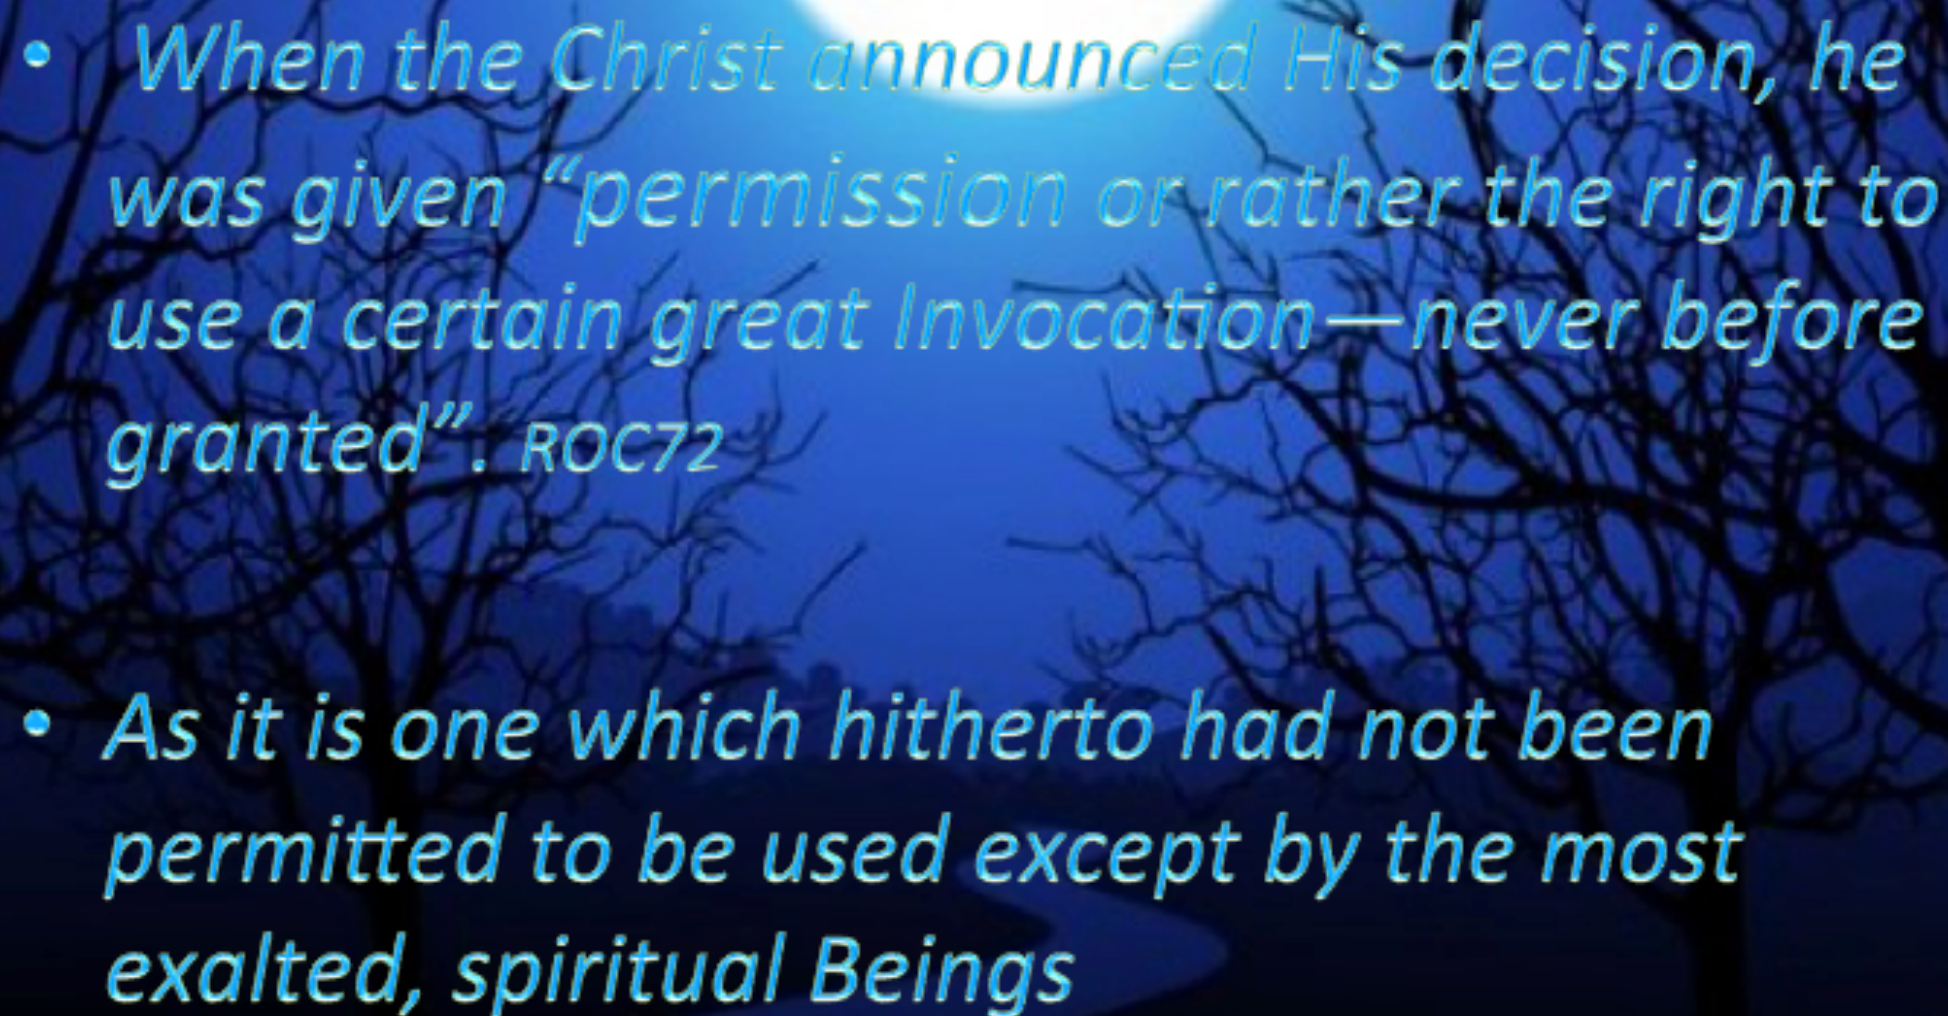

He has chosen to watch over the evolution of men and devas until all have been occultly "saved."

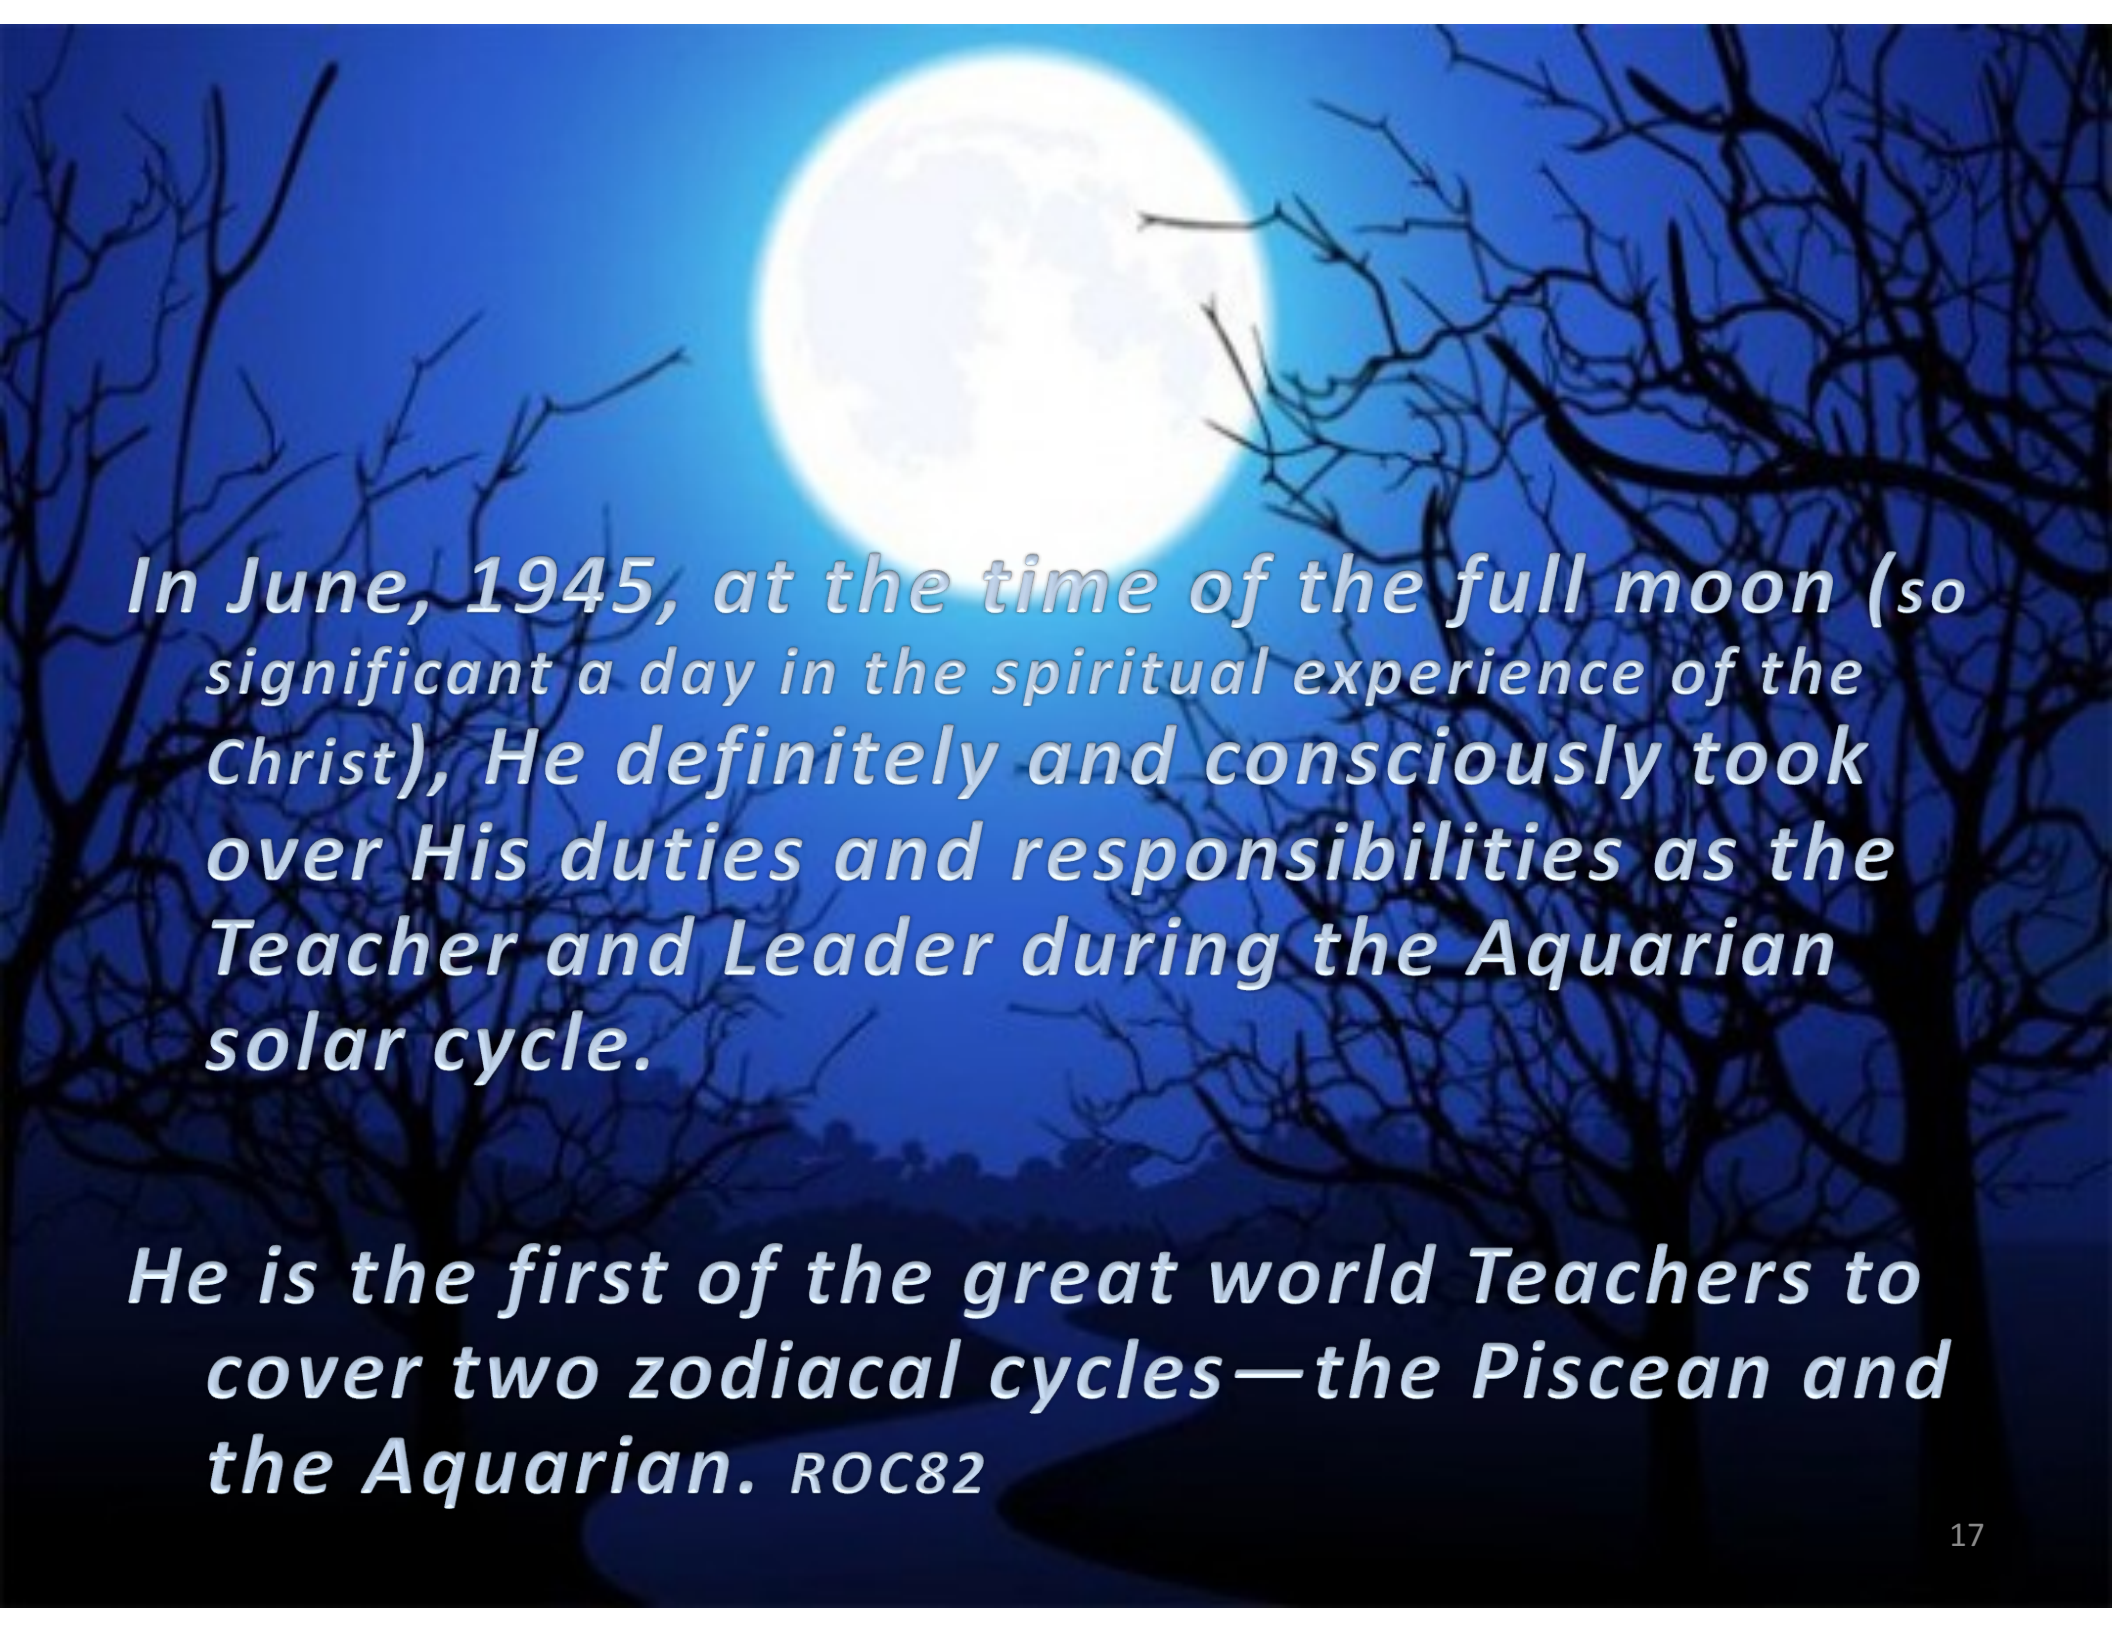

He it is Who decides upon the "advancements" in the different departments, and Who settles who shall fill the vacant posts;

He it is Who, four times a year, meets in conference with all the Chohans and Masters, and authorises what shall be done to further the ends of evolution.IHSp106

Christ receives permission from Sanat Kumara

- At the June full moon of 1945, Christ "*announced His decision as final and irrevocable*" to reappear again on the physical plane.
-The decision of Christ to appear again among men, bringing His disciples with Him, drew forth this permission from the Lord of the World, the Ancient of Days.
- The right to use certain great Words of Power or "Stanzas of Direction" is never lightly accorded ROC73

- 
- *When the Christ announced His decision, he was given “permission or rather the right to use a certain great Invocation—never before granted”. ROC72*
 - *As it is one which hitherto had not been permitted to be used except by the most exalted, spiritual Beings*

In June, 1945, at the time of the full moon (so significant a day in the spiritual experience of the Christ), He definitely and consciously took over His duties and responsibilities as the Teacher and Leader during the Aquarian solar cycle.

He is the first of the great world Teachers to cover two zodiacal cycles—the Piscean and the Aquarian. ROC82

Did Christ make this decision alone?

1.This decision was necessarily made in consultation with the Lord of the World ...

He is the Custodian of the Will of God.

2.It was also made with the full understanding and cooperation of the Masters and the senior initiates.

....because Their participation and help were imperative...

because His reappearance connotes a great hierarchical approach to humanity and a great spiritual event.

The decision was, nevertheless, the decision of the Christ and

marked not only a point of crisis in His experience but a point of climax in His expression of divinity. ROCp69

When is he coming?

*the exact date of His coming being known
only to Him and a few of His senior
workers. ROCp72*

After the ashrams have
externalised

*The Reappearance of the Christ at
a date somewhat later than the
externalisation of the ashrams
and their physical organisation.*

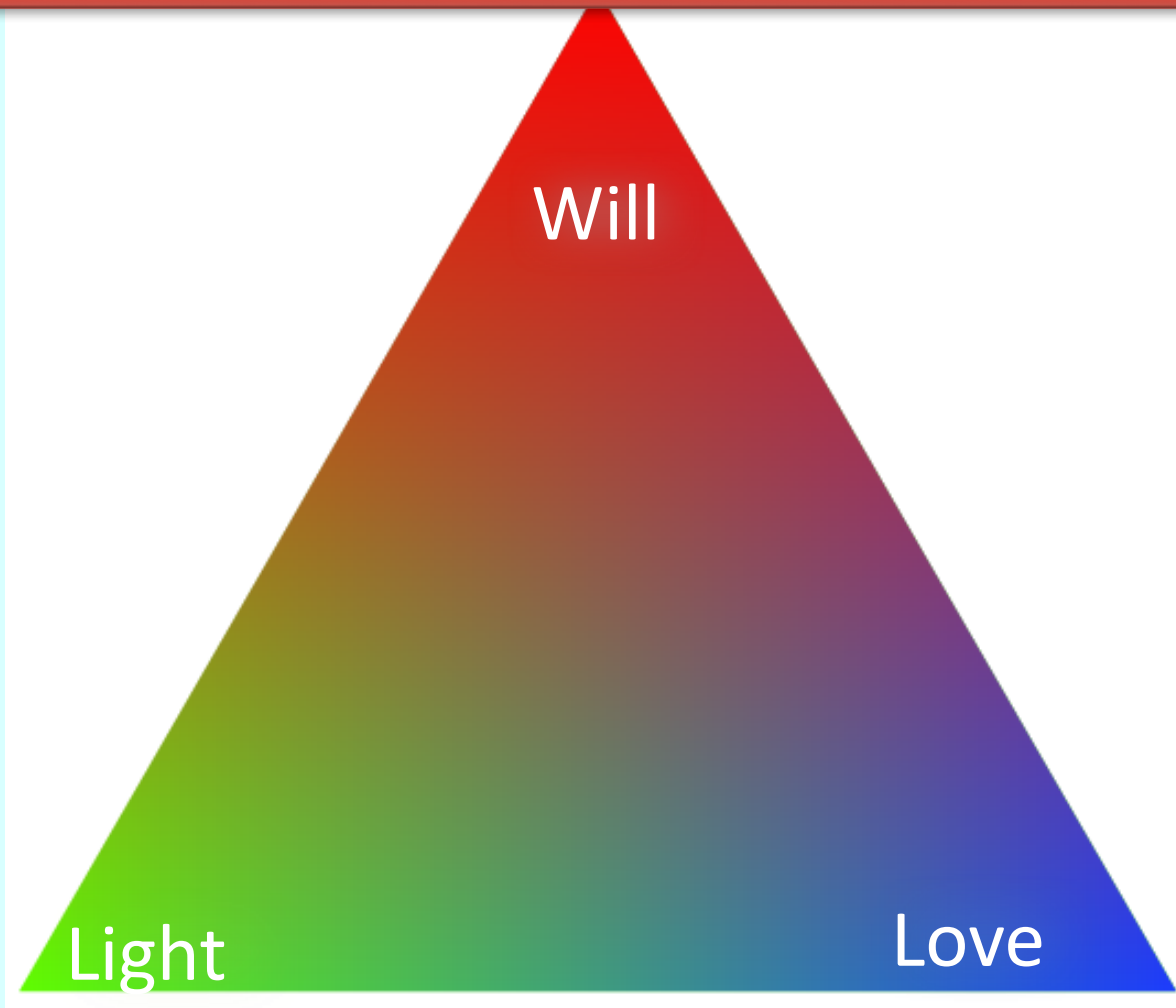

EXH 653

Christ faces major test

He too is facing a major test, preparatory to a great initiation and when He has passed the test and fulfilled His task, He will pass to a still more exalted position in the Father's House or to some distant place of service where only the most exalted can follow Him

But before all this can happen, He must again enter the public arena, play His part in world affairs, and prove the scope of His mission. ROC55

It remains now for the highest of the divine aspects, the Will of God, to receive embodiment and for this the Christ is preparing. ROCp62

Christ embodied the 2nd aspect the Love/ wisdom and fused it with the 3rd aspect of divinity. Light and Love received full expression. ROCp62

Nature of the Will of the Logos?

The basic sacrifice, which the planetary Logos made, was when He decided to incarnate or enter into the form of this planet.

This wasto function as the Saviour of the planet, in the same sense as the world Savors come forth for the salvaging of humanity.

Sanat Kumara is the prototype of all world saviors. DINAIIp286

The Planetary Logos created this planet strictly for redemptive purposes

this little planet is essentially unique in its purpose and its techniques, and that on it and within it ... a great redemptive experiment is going forward;DINAIIp385

until "the last weary pilgrim has found
his way home."

*Under this Law of Sacrifice, Sanat
Kumara ... "must turn His back
upon the Central Spiritual Sun,
and with the light of His
Countenance irradiate the path
of the prisoners of the planet."*

*He sentences Himself to stay for as
long as may be needed, "acting
as the Sun and light of the
planet until the Day be with us
and the night of pralaya
descends upon His finished
task."*

*Thus and only thus can the light of
the Central Spiritual Sun begin
to penetrate the dark places of
the Earth; DINAll p287*

Purpose of the logos aligned with the Will of the Solar Logos

They came in with Sanat Kumara to form focal points of planetary force for the helping of the great plan for the self-conscious unfoldment of all life. IHSp29*

to redeem, salvage and purify them so that the substance of the next solar system will be of a higher order than that of the present one, and consequently more responsive to the will aspect of the Logos. EXH65

* The Original Brotherhood at Shamballa

Christ, the leader of a Hierarchy of Redeemers

.... It was to redeem substance and its forms that the planetary Logos came into manifestation, and the entire Hierarchy with its great Leader, the Christ (the present world Symbol), might be regarded as a hierarchy of redeemers, skilled in the science of redemption. EXH65

Christ is the world Healer and Saviour. ROC51

Goal of humanity

human beings in group formation will act as transmitters of pure spiritual energy, which will vivify every form in every kingdom in nature. WM530

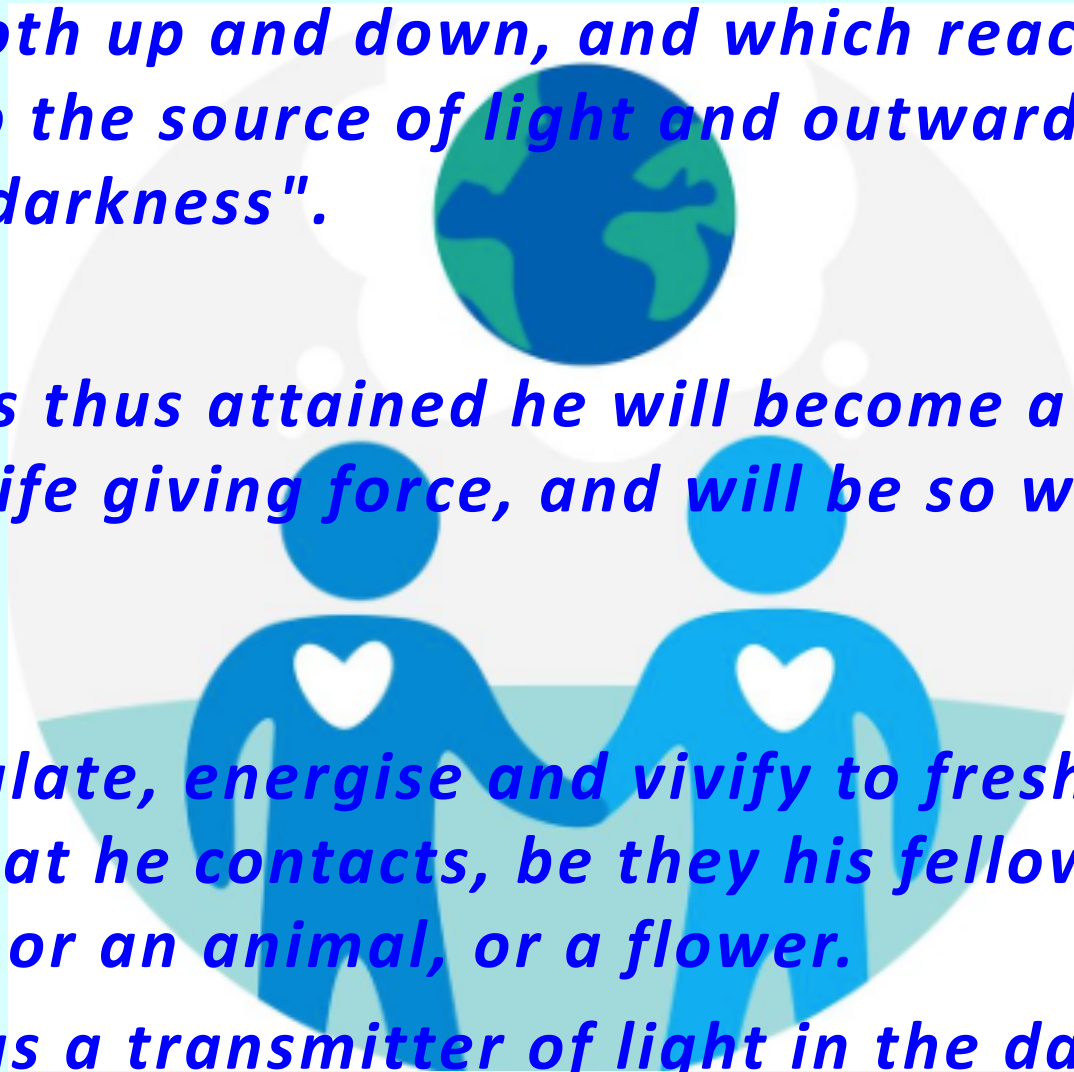

Every human being who reaches the goal of light and wisdom automatically has a field of influence which extends both up and down, and which reaches both inwards to the source of light and outwards into the "fields of darkness".

When he has thus attained he will become a conscious centre of life giving force, and will be so without effort.

He will stimulate, energise and vivify to fresh efforts all lives that he contacts, be they his fellow aspirants, or an animal, or a flower.

He will act as a transmitter of light in the darkness.

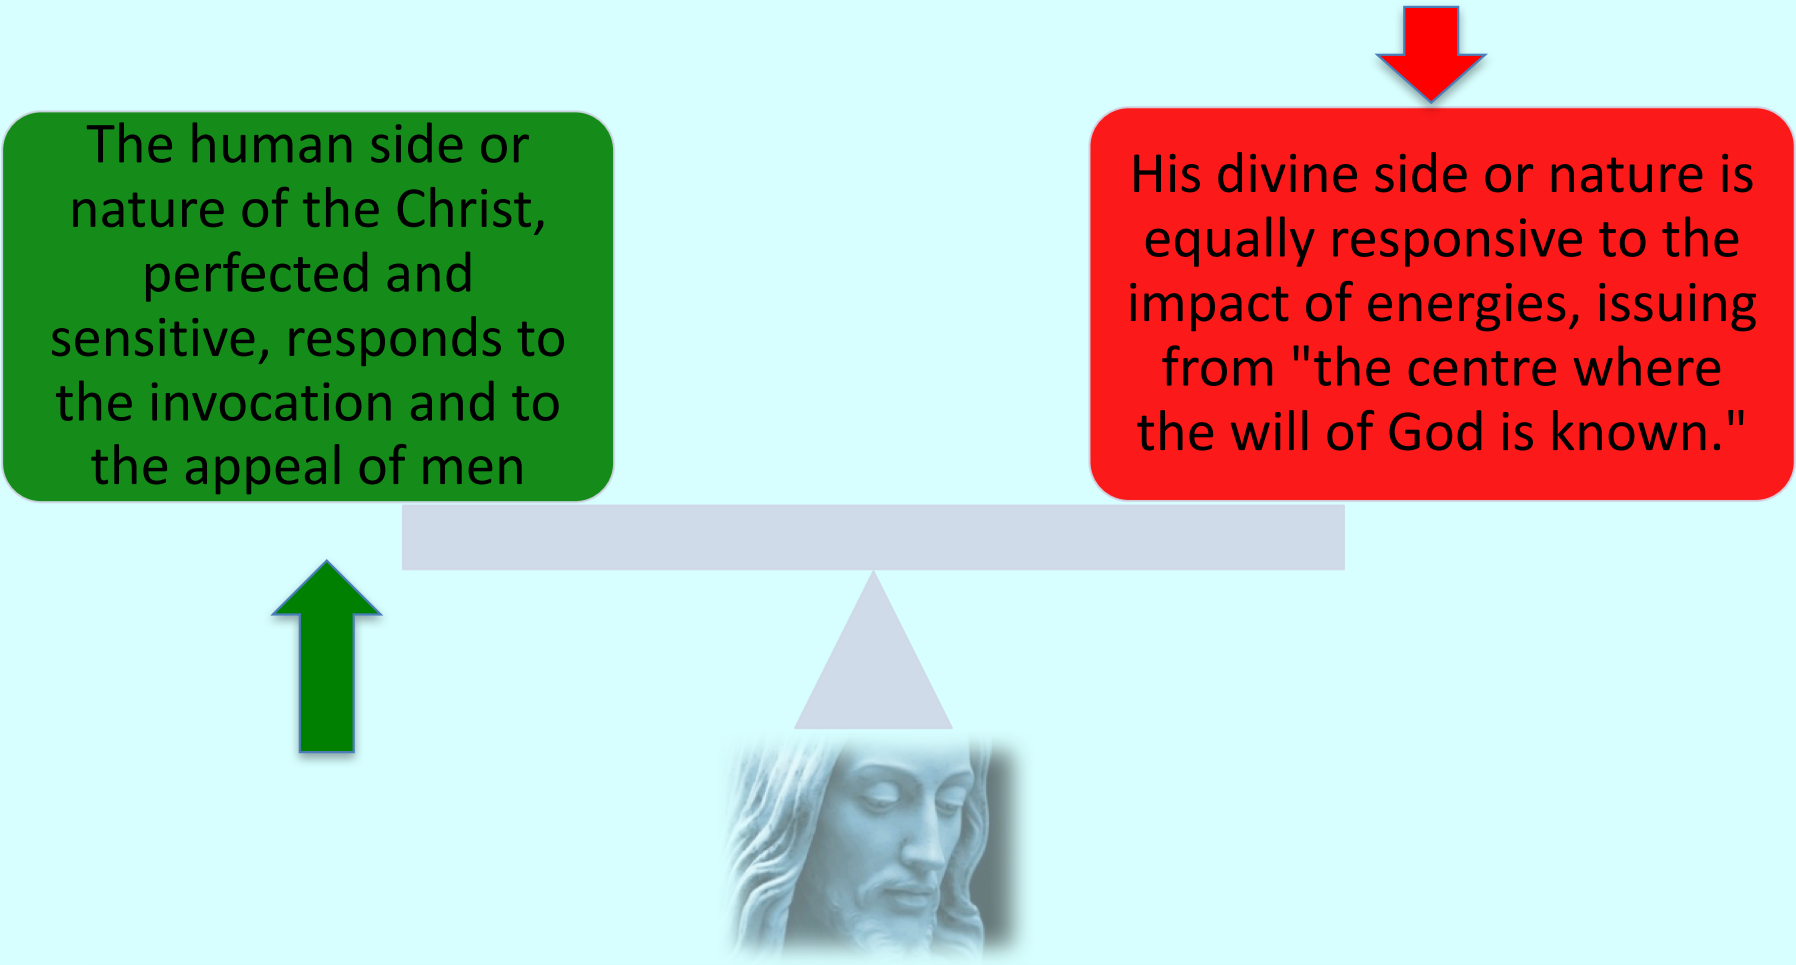

He will dispel the glamour around him and let in the radiance of reality.WM537

What were the factors that prompted Christ's decision?

The motivation for this reappearance ...is clearly perceived by the Christ.

- ◆ *The work initiated by Him two thousand years ago must be completed;*
- ◆ *the new world religion must be inaugurated;*
- ◆ *the needs of a demanding, invocative humanity cannot be ignored;*
- ◆ *those steps which precede a stupendous hierarchical initiation in which the Christ is the leading Participant must be taken;*
- ◆ *the events which are symptomatic of the "time of the end" may not be delayed. ROCp72*

The human side or nature of the Christ, perfected and sensitive, responds to the invocation and to the appeal of men

The diagram features a central balance scale. The left pan is green and contains text about the human side of Christ. The right pan is red and contains text about the divine side. A green arrow points up at the left pan, and a red arrow points down at the right pan. A horizontal bar connects the two pans, with a light purple triangle pointing up from the center of the bar. Below the triangle is a faint image of Christ's face.

His divine side or nature is equally responsive to the impact of energies, issuing from "the centre where the will of God is known."

Between these two, He has to make adjustment and bring about right timing.

The bringing of good out of human so-called evil is no easy task;

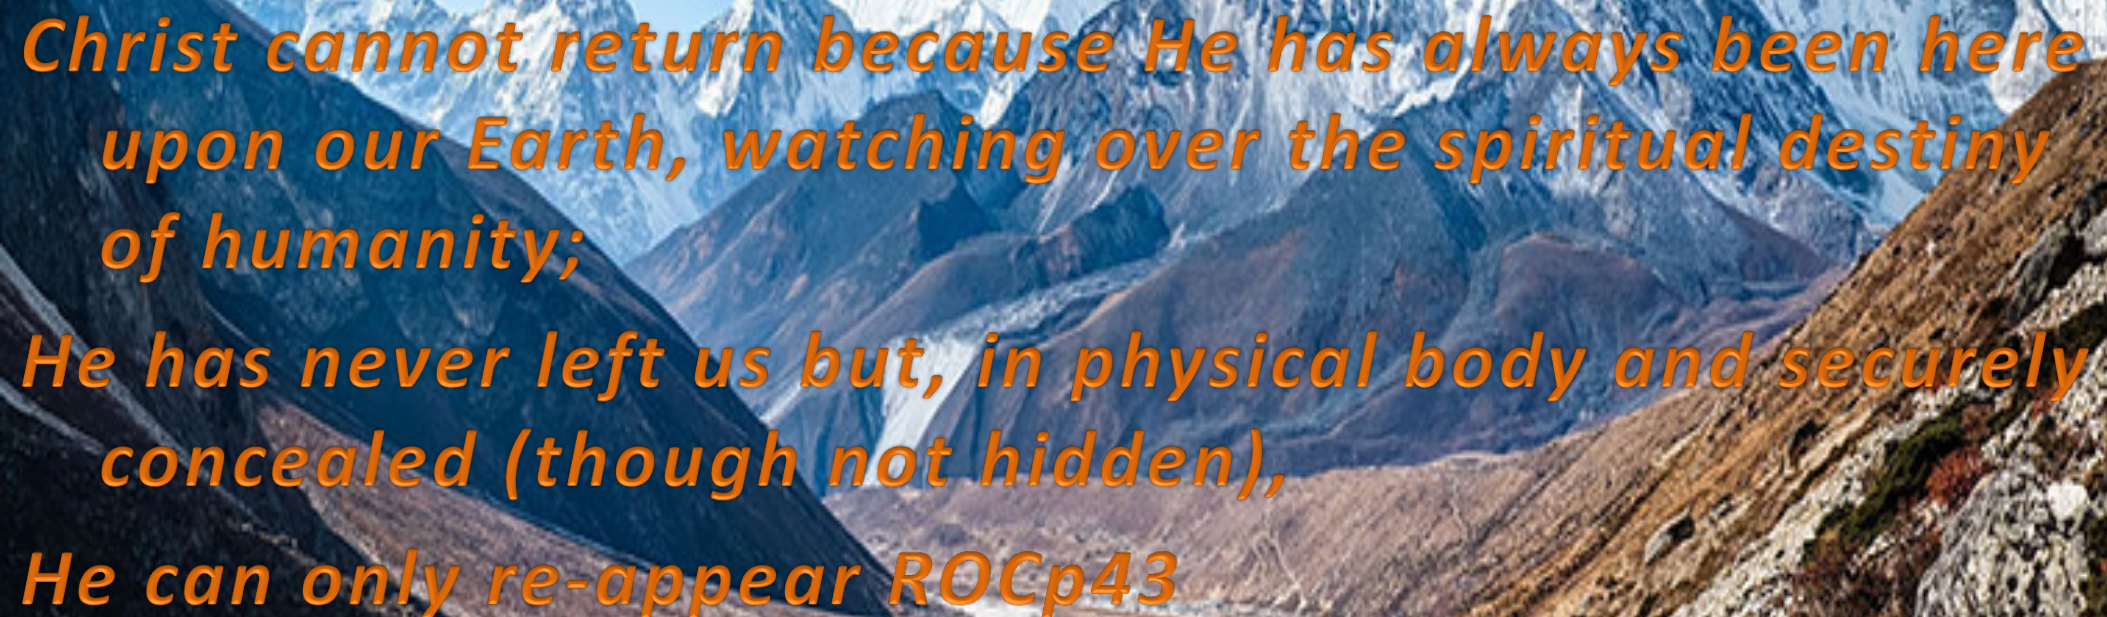

the vision of the Christ is so vast and His grasp of the Law of Cause and Effect, of Action and Reaction is such that the arriving at right decision as to activity and time is no simple one.

Christ's vision of his task as world teacher

During the 9 years of decision prior to June 1945, he saw clearly what he had to do.

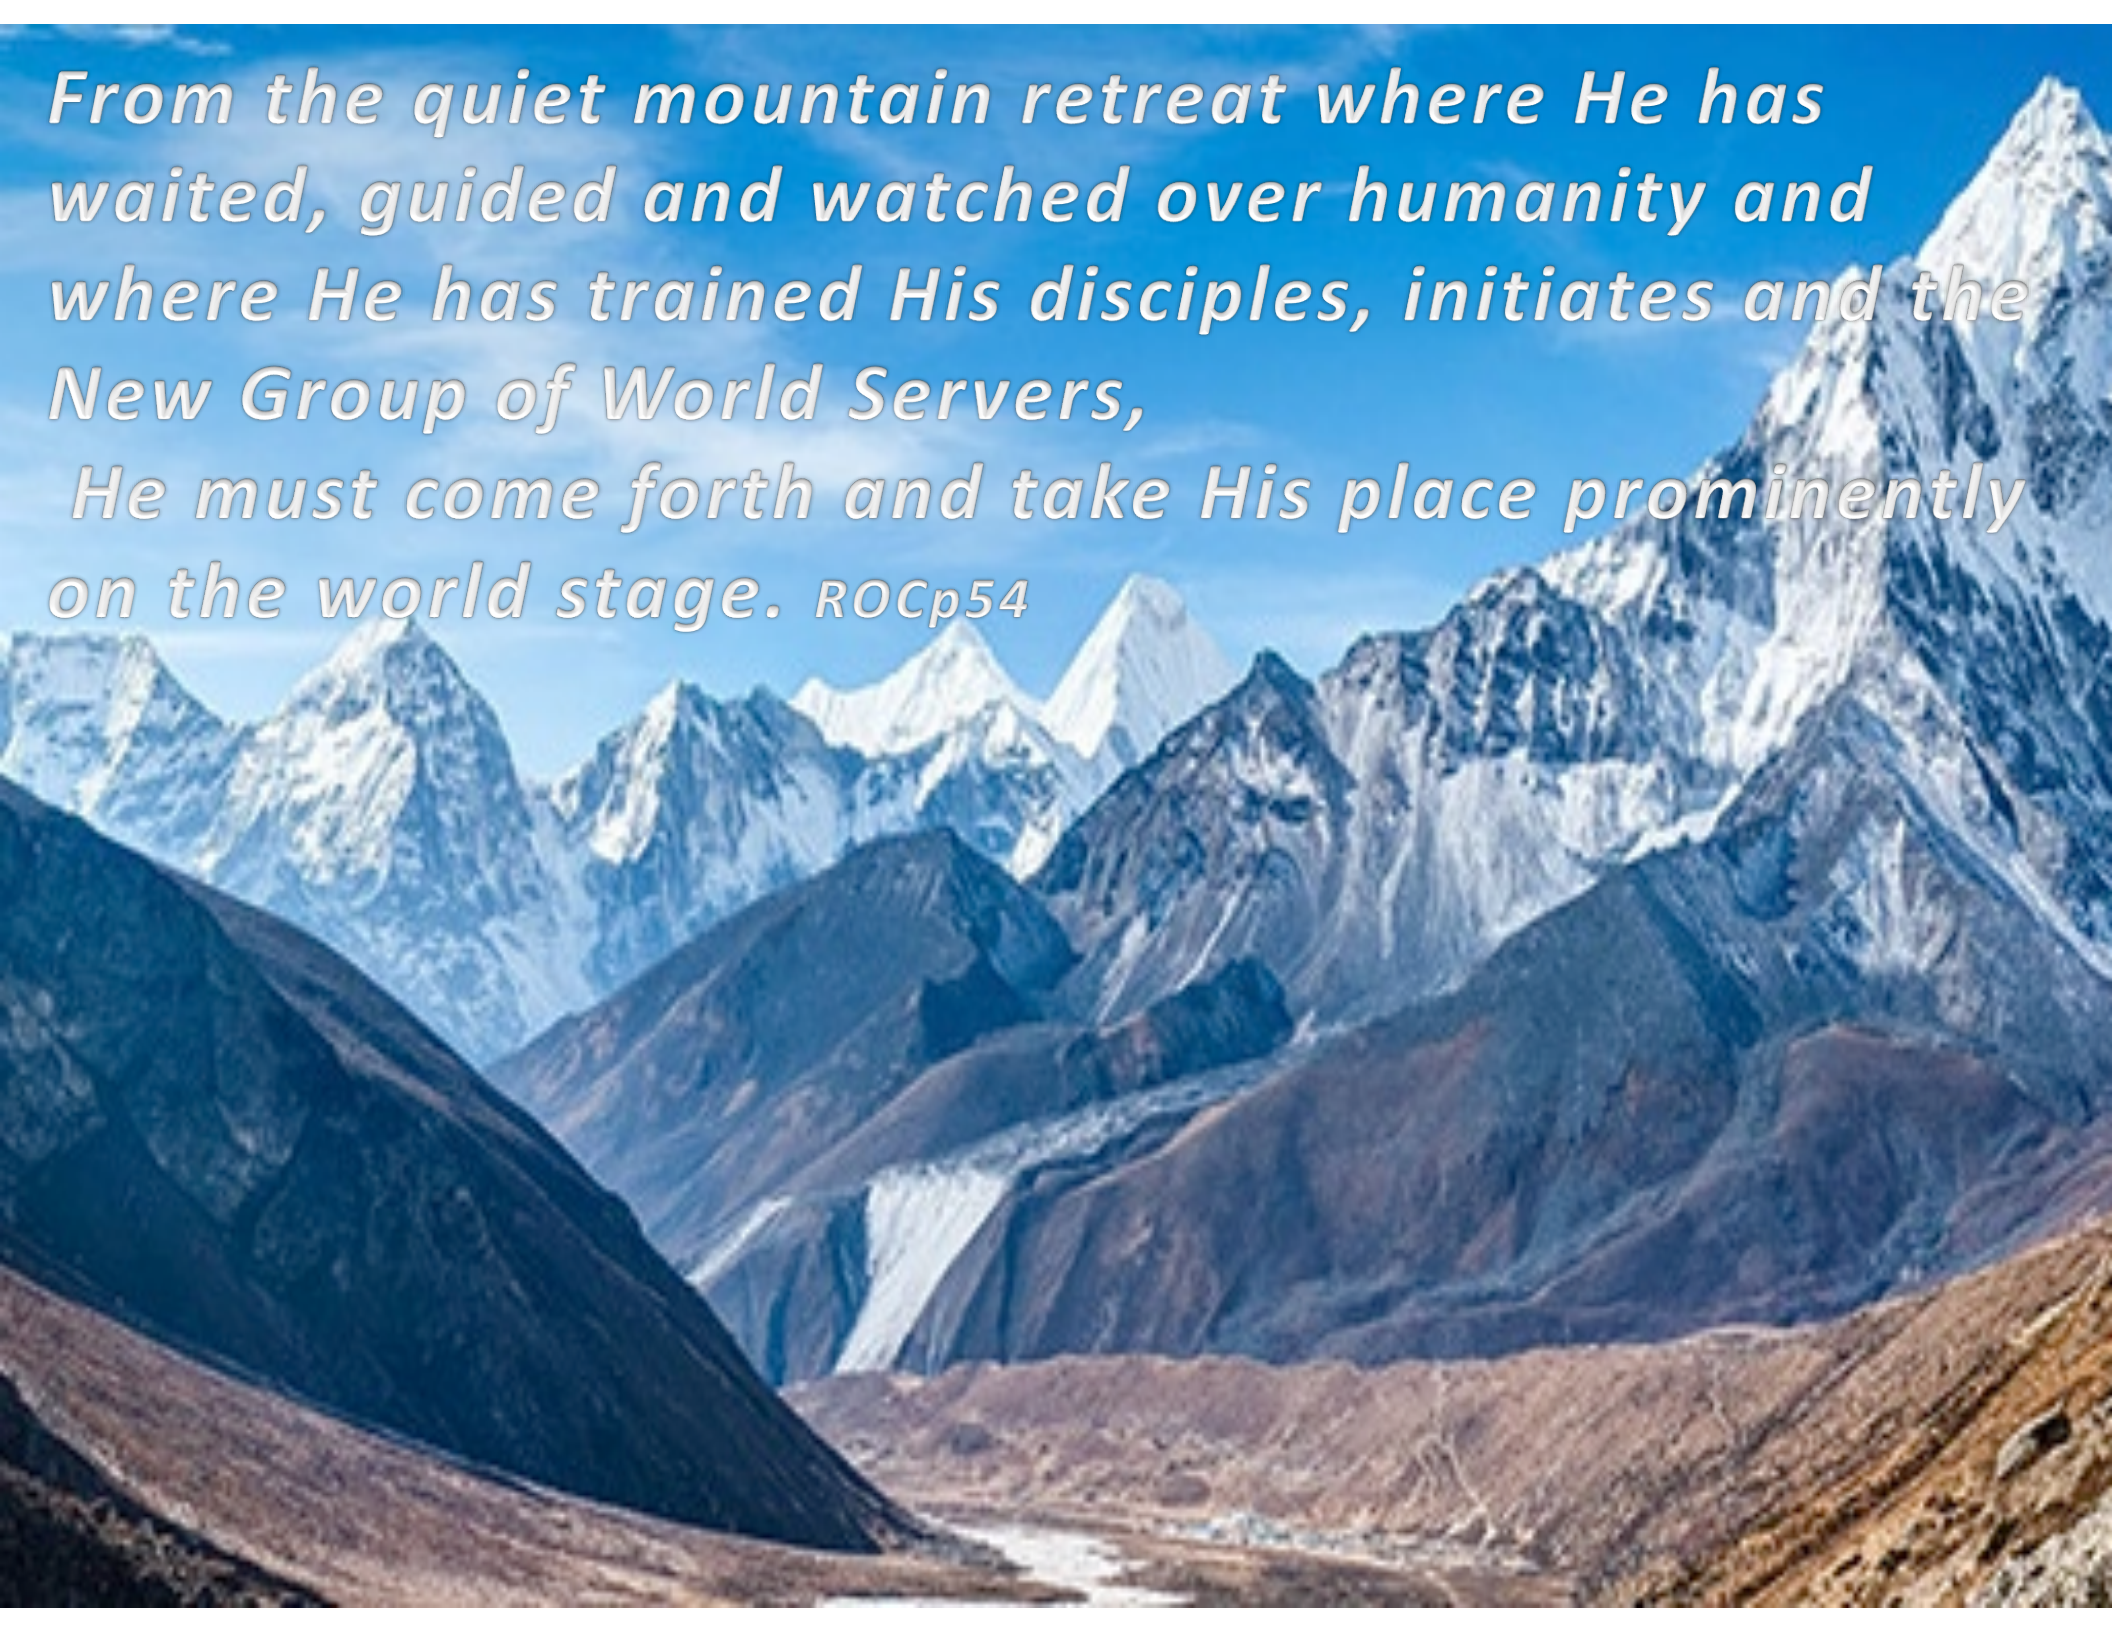

- Under the divine will, He had to reappear on Earth in visible Presence.
- He had to preside over the materialisation of the Kingdom of God on Earth,
 - Humanity achieving 1st initiation
 - He had to re-institute the Mysteries of Initiation in such a form that they would prove the basis of the new world religion.
- Above all, He had to reveal the nature of the will of God. ROCp71

Meaning of term “reappear”?

*Christ cannot return because He has always been here
upon our Earth, watching over the spiritual destiny
of humanity;
He has never left us but, in physical body and securely
concealed (though not hidden),
He can only re-appear ROCp43*

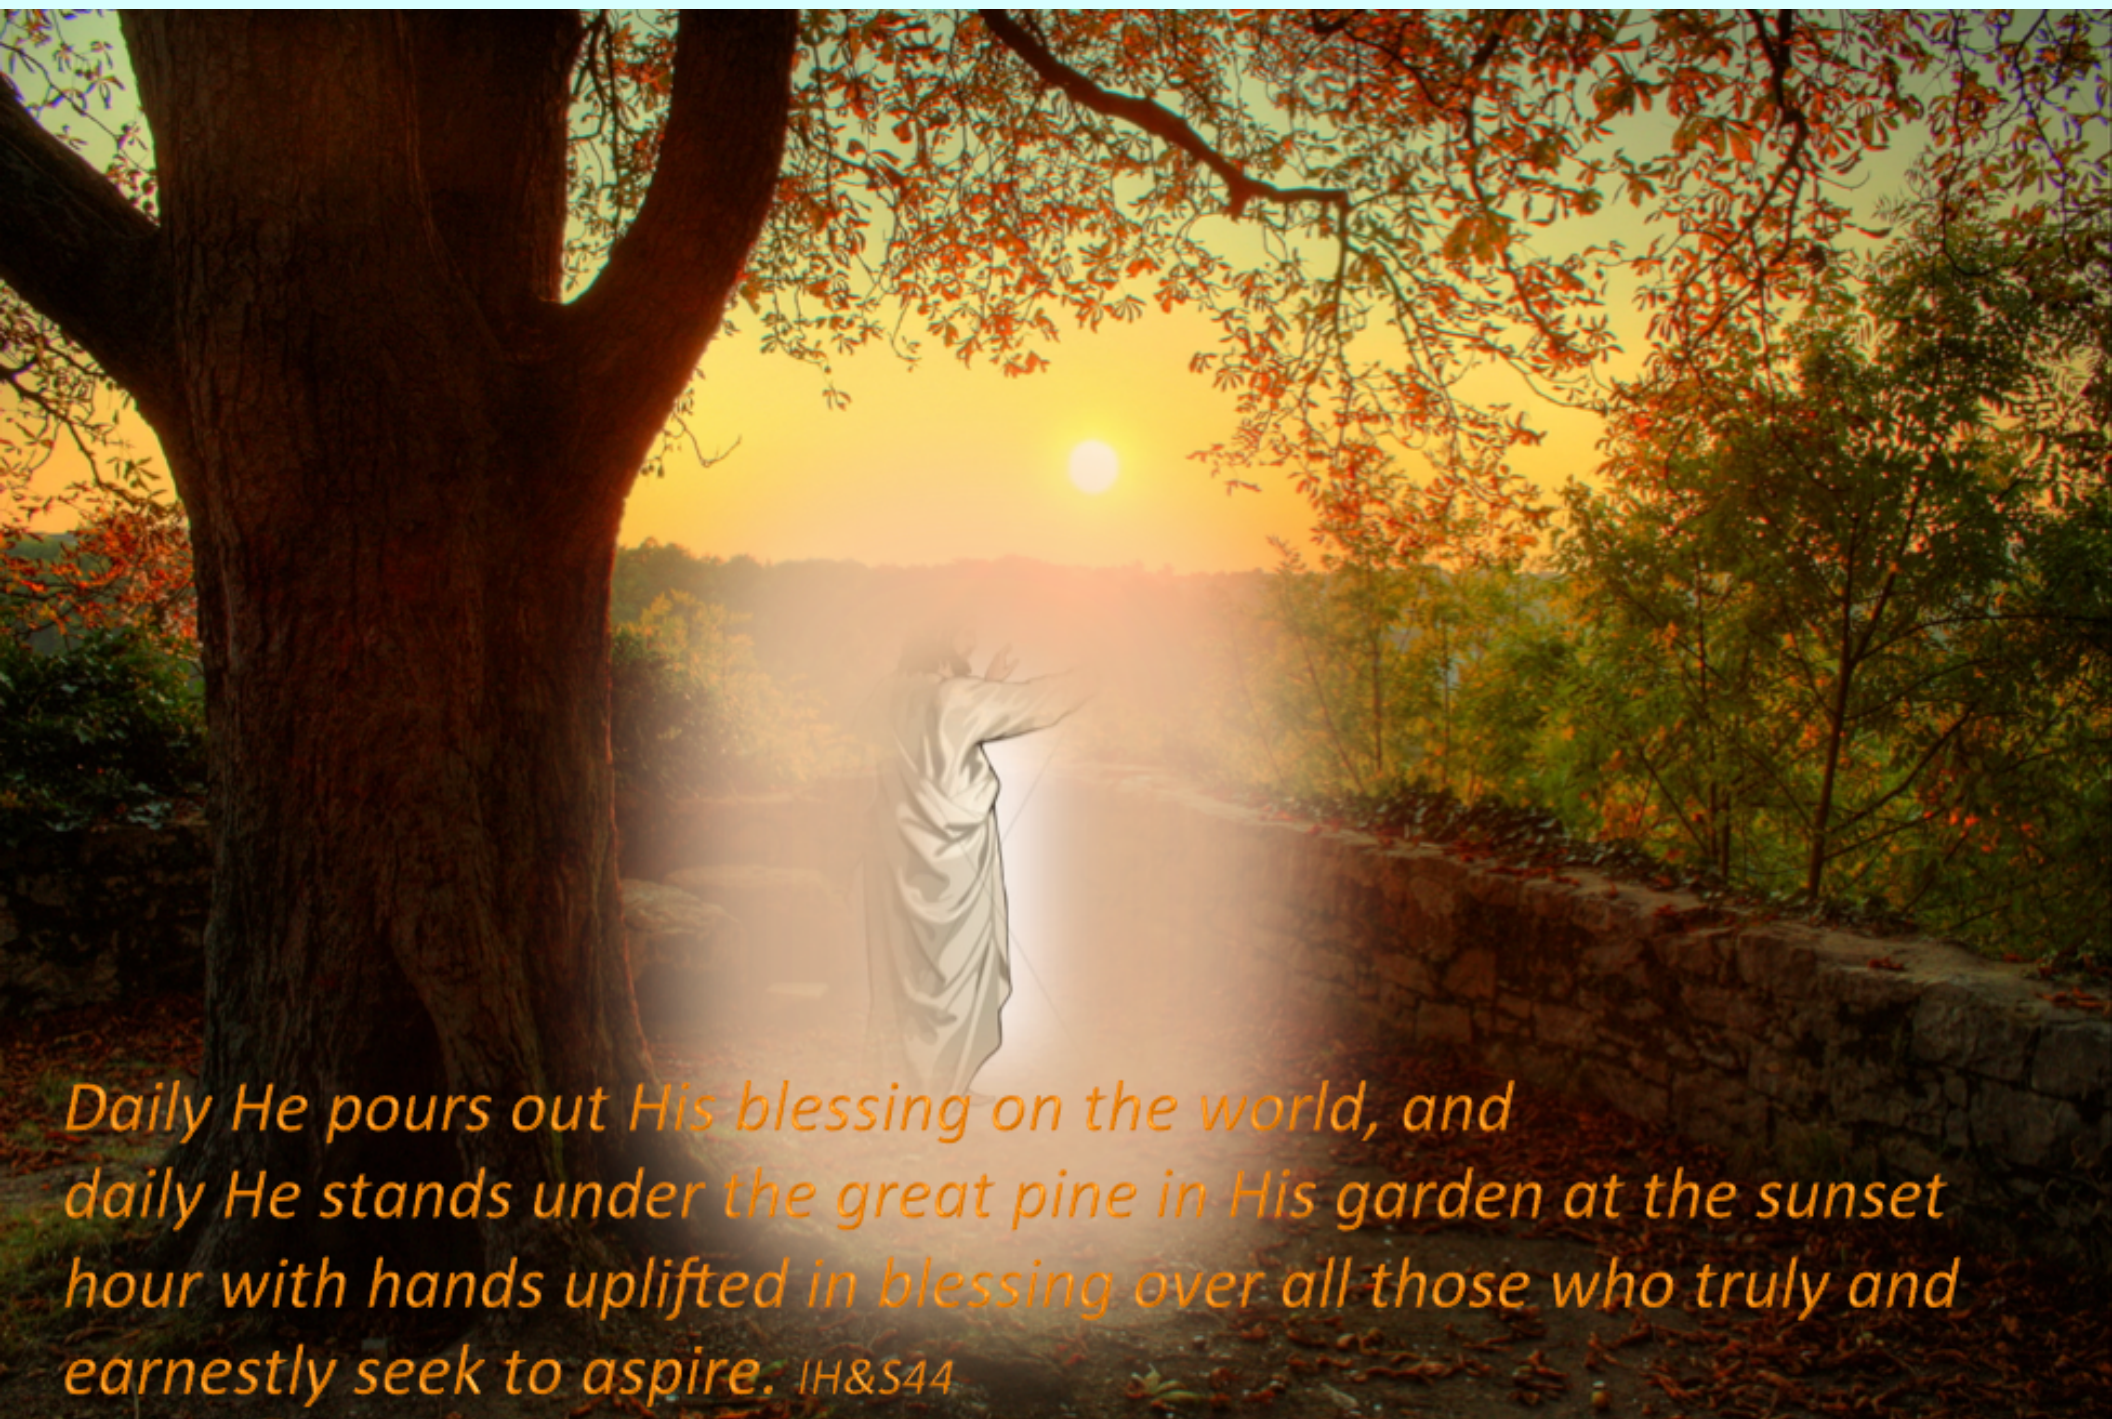

From the quiet mountain retreat where He has waited, guided and watched over humanity and where He has trained His disciples, initiates and the New Group of World Servers, He must come forth and take His place prominently on the world stage. ROCp54

So where is he?

They will prepare and work for conditions in the world in which Christ can move freely among men, in bodily Presence;

He need not then remain in His present retreat in Central Asia. EXH590

Daily He pours out His blessing on the world, and daily He stands under the great pine in His garden at the sunset hour with hands uplifted in blessing over all those who truly and earnestly seek to aspire. IH&S44

In which guise will he come?

*How He will come and
in what manner is not yet stated.
The exact moment has not yet
arrived nor
has the method of His appearance
been determined. ROC49*

***Those plans do
not involve the
birth of some
nice child in
some nice
home on Earth;***

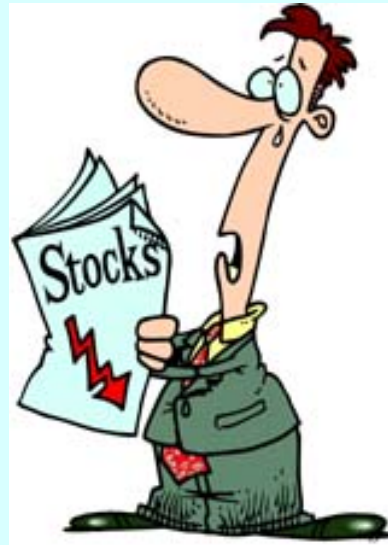

ROC48

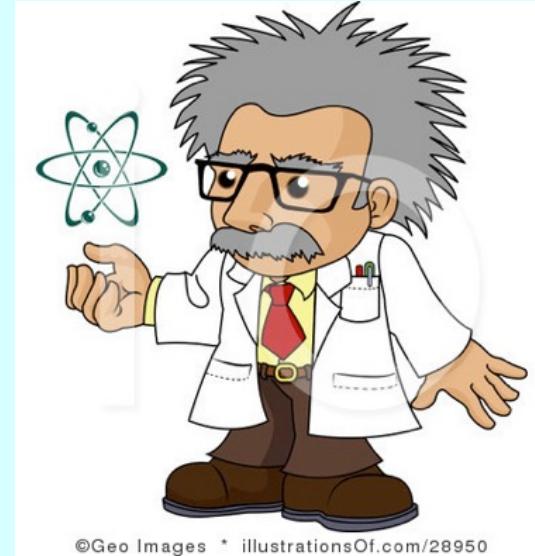

Christ to reappear in unexpected guise

As a
politician,

an economist

a scientist

a leader of the people

an artist

*not necessarily through the
medium of churches or world
religions*

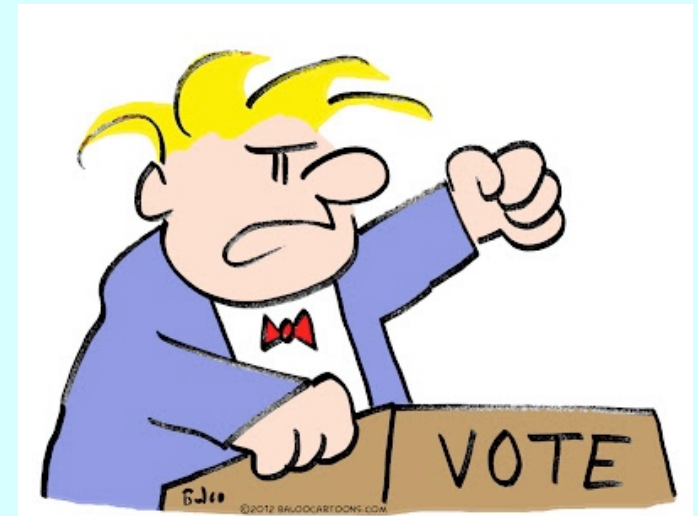

From Wikimedia Commons

In the Middle Ages of history and earlier, it was the churches and the schools of philosophy which provided the major avenues for His subjective activity, but it will not be so when He is objectively and actually here. This is a point which the churches and organised religions would do well to remember.ROC18

There is now a shift of His emphasis and attention into two new fields of endeavour: first, into the field of world-wide education

Image Courtesy - bit.ly/1QxNFdF

and secondly, into the sphere of implementing intelligently those activities which come under the department of government in its three aspects of statesmanship, of politics and of legislation. ROC18

He will use all possible channels whereby the consciousness of man may be enlarged and right orientation be brought about ROC17

Which nationality will he be?

*no one knows in what
nation He will come;
He may appear as an
Englishman, a
Russian, a Negro, a
Latin, a Turk, a
Hindu, or any other
nationality.*

Who can say which?

ROC19

Will he belong to any religion ?

*He may be a Christian
or a Hindu by faith,
a Buddhist or of no
particular faith at
all;*

*He will not come as
the restorer of any
of the ancient
religions, including
Christianity,*

*but He will come to
restore man's faith
in the Father's love,
in the fact of the
livingness of the
Christ and
in the close, subjective
and unbreakable
relationship of all
men everywhere.
ROC19*

He is the World Teacher.

Christ belongs to humanity, to the world of men, and not alone to the churches and religious faiths throughout the world. ROC37

How is the
Christ's
2nd coming
predicted in
the bible?

Christ will issue forth from His seat at the right hand of God, and (followed by His angels and by the Church invisible) descending upon the clouds of Heaven, to the sound of a trumpet, He will make an appearance in Jerusalem. ROC64

New interpretation needed

The symbolic prophecies found in all the world Scriptures anent this imminent event will prove their veracity; their symbolism will nevertheless elicit re-interpretation.....

circumstances and happenings will not necessarily be exactly as the Scriptures would appear to indicate.

For instance, He will come indeed in the "clouds of the air" as the Christian Scriptures say. ROC45

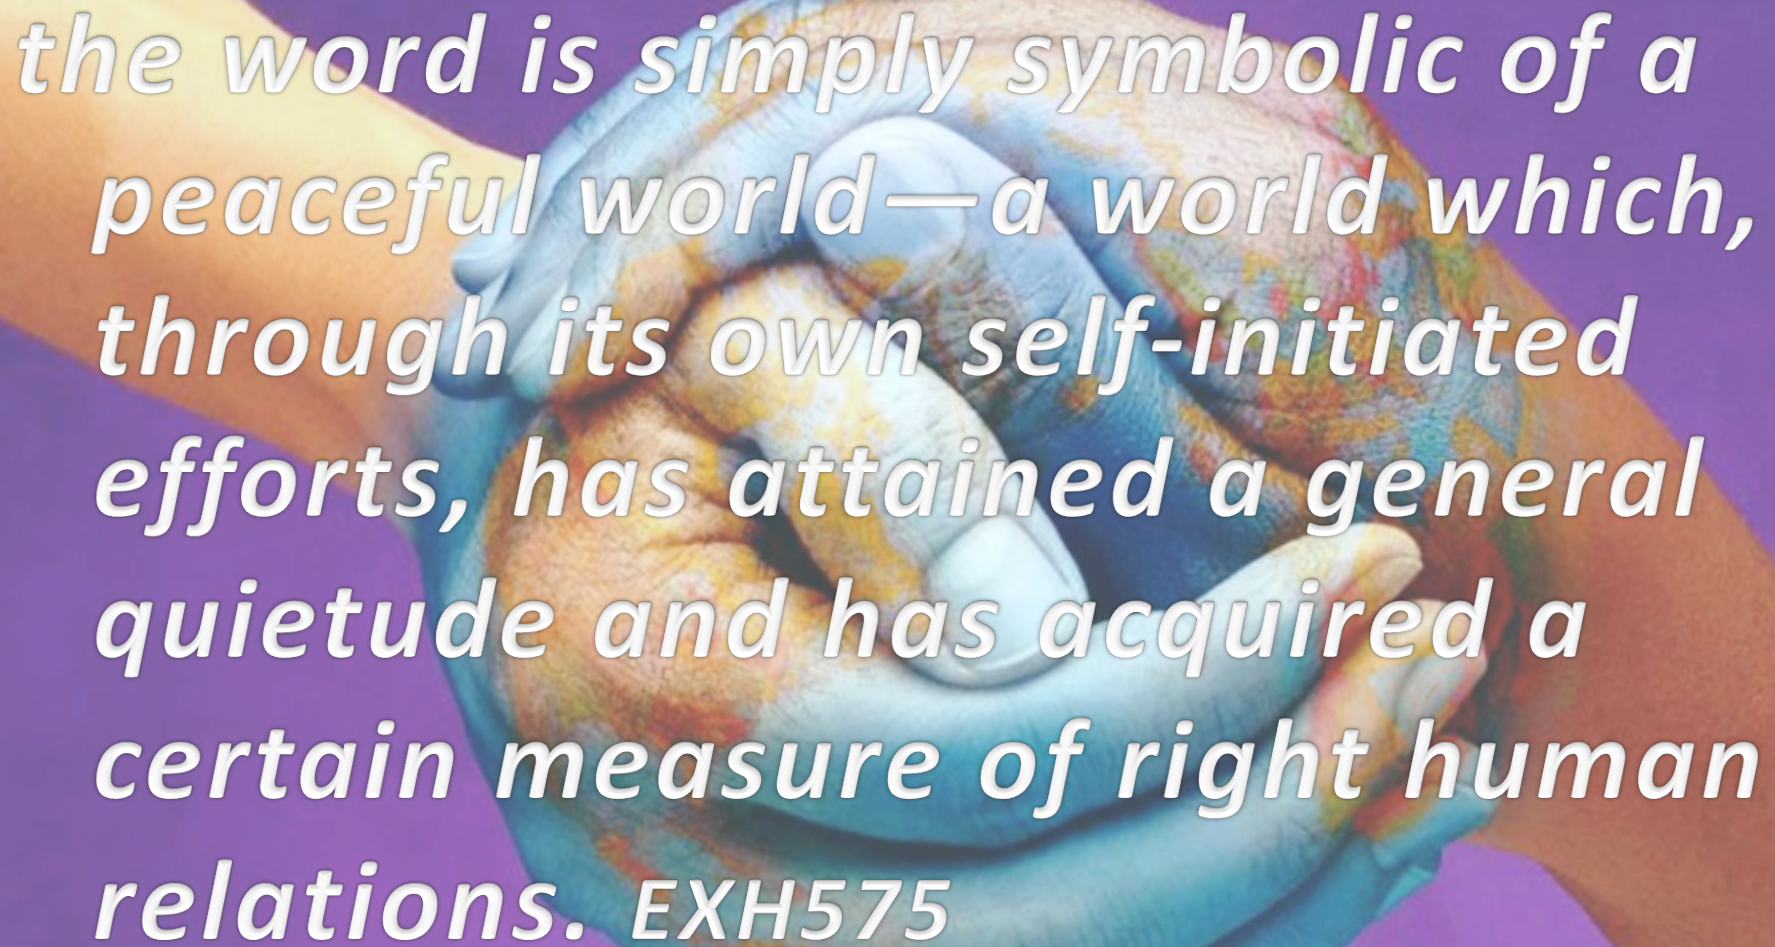

Jerusalem: location or symbol?

The Christian concept of the return of a triumphant Christ, coming in the clouds of heaven to Jerusalem, there to reign for a thousand years, is true in one way and utterly false as to design, location and method.

the Jerusalem referred to (literally "the place of peace") is not the chief city of a small country called Palestine or the Holy Land; EXH575

Jerusalem: symbolic term for peace

the word is simply symbolic of a peaceful world—a world which, through its own self-initiated efforts, has attained a general quietude and has acquired a certain measure of right human relations. EXH575

A close-up photograph of two hands clasped together in a prayerful or supportive gesture. The hands are positioned centrally, with fingers interlaced. The skin tones are warm and natural. The background is a soft, out-of-focus light blue, creating a serene and peaceful atmosphere.

He will not, however, take a Jewish body as He did before, for the Jews have forfeited that privilege.

The Messiah for Whom they wait will be one of Christ's senior disciples, but it will not be, as originally intended, the Christ.

R&I705

In a Jewish body?

*"every eye shall see
Him" might mean
that, by the time He
comes, television will
have been perfected
and*

*"every eye
shall see
Him"*

*He will then be seen,
by its means, from
even the most distant
spot on earth.*

EXH576

Riding on the clouds of heaven?

"Riding on the clouds of Heaven" may sound more picturesque and apparently require a greater expression of divinity,

but why use such a means when a plane will equally well fulfil the purpose and carry the prophecy to completion?

A great deal of reactionary stupidity will have to be eliminated before He can

come, EXH576

What is the church of Christ?

*it is the aggregation of all who love
their fellowmen, because to love
one's fellowmen is the divine
faculty which makes us full
members of Christ's community.*

ROC65

***His
invisible
church is
the
Spiritual
Hierarchy,
composed
of
disciples
of all
faiths.
ROC60***

***He cares not what
the faith is
if the objective is
love of God and of
humanity.***

***The Christ has no religious barriers in His
consciousness.***

***It matters not to Him of what faith a man may call
himself. ROC60***

Will he come alone?

He will gather round Him, in the flesh, His chosen associates and advisors;

these will not be the ones who gathered around in those earlier simpler days

but those members of our human family who today recognise Him and are preparing to work with Him as far as in them lies. ROC56

when He comes He will bring with Him some of the great Angels, as well as certain of the Masters.

Angels instructed to approach humanity

The call has gone out for them again to approach humanity, and with their heightened vibration and superior knowledge unite their forces with those of the Christ and His disciples for the helping of the race. EXH508
